

SUPPLEMENTAL DECLARATION

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name

JUL 12 1999

TECHNOLOGY CENTER 2709

I believe I am the original, first and sole inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled MEDICAL PATIENT FLUID MANAGEMENT INTERFACE SYSTEM AND METHOD, as Application Serial No. 09/019,419, and with amendments through March 23, 1999, and hereby declare that the subject matter of the claims now allowed was part of the invention and was invented before the filing of the original application, above identified, for such invention.

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to the patentability of this application in accordance with Title 37, Code of Federal Regulations, Sec. 1.56.

I hereby state that I do not know and do not believe that the invention was ever known or used in the United States of America before my invention thereof; that to the best of my knowledge and belief the invention has not been in public use or on sale in the United States of America more than one year prior to the earliest of the filing date of this application or any application from which this application takes priority or patented or described in any printed publication in any country before my invention thereof or more than one year prior to the earliest of the filing date of this application or any application from which this application takes priority, or patented or made the subject of an inventor's certificate issued before the priority date of this application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns more than twelve months prior to this application; and that no application for patent or inventor's certificate on this invention has been filed in any country

foreign to the United States of America prior to this application by me or my legal representatives or assigns.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further, that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
